Please be aware, that all OMNI clientele with certified/listed product should always have the latest copy of the Product Documentation and Listing Agreement (PDLA). This agreement outlines the requirements for maintaining listings, mandates annual follow-up QC/Product Inspections., and must be signed by both parties to maintain listings of certified product.

The product certification system, operated by OMNI-Test Laboratories, Inc., most closely resembles that described by ISO/IEC Guide 67, System 5. OMNI is accredited by the Standards Council of Canada (SCC) and the American National Standards Institute (ANSI) as a certification organization.
