

OUTDOOR OASIS

Turn your backyard into a resort-worthy escape with sumptuous furnishings, bold fabrics, and accessories like umbrellas and fireplaces that really work.

1 Shelter Outdoor's P6Duo Square umbrella is an elegant and streamlined option for the pool deck. The umbrella lifts effortlessly with a patented one-move gas spring mechanism. www.shelter-outdoor.com 2 Spark Modern Fire's new CUBE infuses outdoor living with contemporary design. When closed, the stainless steel CUBE projects as an art object worthy of illumination. In use, the CUBE casts its own illumination and warmth emanating from a 60,000Ng or 54,000Lp btu burner. www.sparkfires.com 3 The Banyan Collection by Holly Hunt for Link Outdoor includes a deep-seated selection of classic outdoor furniture with a multitude of fabric options. www.linkoutdoor.com 4 Sifas' new Komfy collection of outdoor furniture is infinitely elegant and modular with options to suit any setting. www.sifasusa.com 5 The sky's the limit when it comes to custom cushions and pillows from Link Outdoor. Visit their website for a myriad of fabric and trim options. www.linkoutdoor.com →
